Polishing the Crown: Neighborhood Beautification Program

The City of Corona is launching a one-year project to clean homes and neighborhoods within the Grand Boulevard Circle! A number of aesthetic improvements will be made to beautify the heart of Corona. Work will include repainting, improving landscapes, and removing dilapidated fences, inoperable vehicles, and trash/debris.

Clean-Up activities will be done for homeowners and tenants who are physically or financially unable to perform improvements themselves.

Together we can make aesthetic improvements within a few hours of a clean-up day through specific, intense efforts of a large number of volunteers like you!

The Circle will be subdivided into manageable areas and the program implemented in four overlapping phases. The phases are Area Assessment, Program Introduction, Clean-Up Day and Follow Up to ensure work is maintained.

Are you a resident?

Volunteer your time and make a difference in your City!

Are you a local business owner?
